PREPARE TO BE IMPRESSED and bring lots of tissue 😊

Attached please find information and forms for tickets, performance shirts, and a professional DVD recording of our upcoming show, Saturday, April 27th from 1:30-3:45 at Aptos High's Performing Arts.

- All students should arrive with a basic black outfit; we will be layering costumes over the basic outfit to keep costume changes to a minimum. Girls: Black tank, leggings calf or short length. Boys: Black tank or t-shirt, black pants. ALL: no words on shirts (inside out) dark or black tennis shoes.
- Students should arrive no later than 1:10 on the day of the performance. Theater rental is expensive so please be on time—we must start promptly at 1:30.
- Costume lists will be sent home; please label and place costumes in a bag so it may be returned if lost
- ****Apple Afterschool families:** Our alumni teens will be at the door to walk your student to meet Mallory and Gaby. This will show your student you are ready to enjoy a great time (and not worried) and will allow you time to find your seats as well. *Check w/ teachers regarding rehearsal 4/25 meet-up site.*
- Families may subtract \$10 from their orders totaling over \$50 if received by April 15th.

TICKETS: Please buy your tickets in advance (order form attached). Checks should be made to Jan Jimenez NOT Magic Apple or Apple Afterschool as proceeds will be used for performance related costs. You will enjoy an amazing display of talent—Magic Apple parents will be able to recall where love of performance first began by watching Apple's enthusiastic little ones; while Apple parents will get a glimpse of the future as they enjoy the confidence and skills of Magic Apple. *Please remember also, that although this is a fund-raiser, we want you to be able to invite all of your family members--if the cost of the tickets is prohibitive for you just send what you can with a sticky note.*

VIDEO RECORDING: We will have a professional video recording of the show available for purchase. It will be HD format enabling great close up and group shots and cover the entire show (approximately 2 hours). **Please note:** Cameras and video recording devices are distracting to performers and will **not** be allowed in the theater.

SCHOOL PERFORMANCE SHIRTS: Please sign up in advance for a student performance shirt (see example on order form) to be worn for the last song (optional grey shirt okay). This will make a great gift for your student (all performers names from both schools will be listed on the back) and will only be available through pre-order.

MANDATORY REHEARSALS: *ALL students should attend* as this is our only chance to practice staging, entrances and exits with **ALL** students. Magic's rehearsals will be Wed. 24 1:45-4:45 and Thurs. 25 3:00-4:45. Apple Afterschool students will attend Thursday from 3:15-4:00 (arriving back at Apple at between 4:30-4:45) Those not attending typically on these days must meet us there and be picked up; see ****above** for more info.
