

## SPRING CAMP FULL DAY SESSION at APPLE AFTERSCHOOL

March 25\*\*, 28-April 1, 2016

**\*\*FRIDAY March 25: EGG DAY** *Bring lunch & drink* It's all about eggs today as we design and then dye our own eggs in the morning. We'll also play fun egg-centered games: Mother Hen, Come Home Naughty Chickens and Duck, Duck, Egg. Later, try some silly relay races: eggs on a spoon, egg hopping, hot egg, etc. In the afternoon we'll take our eggs to Rio Park to take turns hiding (and finding). *\*\*Note: Open only if enough interest*

**MONDAY March 28: APE DAY** *Bring lunch and a drink, books about monkeys, favorite board games (optional)* We're going bananas today as we celebrate monkeys and apes. Enjoy the monkey bars at the park, making your own delicious monkey bread (an ape favorite), and even a "born to be wild" dance off. In the p.m. we'll learn about apes, share board games, and enjoy monkey skits and art.

**TUESDAY March 29: GAME DAY** *Bring lunch and a drink, favorite sports equipment for the park* In the a.m. help us design an indoor obstacle course and get ready for an Apples-to-Apples face-off (with prizes)! We'll enjoy lunch and games at the park and then return for more games: card games, dance games, twister, etc. We'll finish the day with the movie, Despicable Me 2 (Minions like to play too)

**WEDNESDAY March 30: TOYS & VIDEO GAMES DAY** *Bring lunch and a drink, video games and your favorite toys to share* This morning's gonna be special as we're allowing video games (and toys) to be brought to camp! Be sure to enter our design your own toy or who has the best toy contests, and/or join a fun play about lost toys. In the afternoon we'll set up our own toy festival—every time the bell rings we switch to try a new toy area. End the day with a video game play off and Toy Story 2.

**THURSDAY March 31: KNIGHTS & CASTLES DAY:** *Bring lunch and a drink, books about knights, dragons, castles etc.* Today we'll learn about the great adventures of knights and then test our own abilities with fun feats of strength. Later, learn all about dragons and their powers in the book, Dragonology, and then try inventing your own dragon! In the p.m., try your hand at castle building (with our giant castle blocks or our special round legos from Spain), or designing a shield. We'll end the day learning all about castles and then enjoy the movie, How to train a Dragon.

**FRIDAY APRIL 1 SUPERHERO DAY** *Bring costume in a bag, lunch & drink, superhero books, \$7 for Village Host Pizza* Come dressed as ANY super hero (or better yet invent one—pajama man, diaper baby?) and get ready to save the world (or whatever your superhero does). We'll learn about a few of our famous favorites, and then compete in a variety of superhero quests-- balloon volleyball, rescuing a stuffed animal in distress, saving folks from sharks while under the parachute and more! We'll also enjoy a delicious visit to Village Host Pizza for yum and games and crazy superhero skits.

# APPLE AFTERSCHOOL SPRING CAMP REGISTRATION March 25 \*\*, 28-April 1
